'78 Vallis "Memories"

Dedicated To Mrs. Mary Conrad

Her birth date is October 1. She attended Wampum, Pennsylvania Elementary and High School. She went on to Indiana University and acquired her Bachelors Degree in education. Once her teaching credentials were established she went on to teach at North Irwin High School and coached Girls' Basketball there.

Prior to her marriage, this woman worked at various "typical" female jobs. She was a meatcutter, worked in a junkyard and in a building supply company.

Her hobbies include tennis and reading. She is known for her "universal taste when it comes to food" and proclaims steak as the best. She is an active member in the Business and Professional Women's Club and also in the choir of the First Methodist Church in New Bethlehem.

Her maiden name was Mary Louise Mielke. She married Robert Conrad and has two daughters, Susan and Christine.

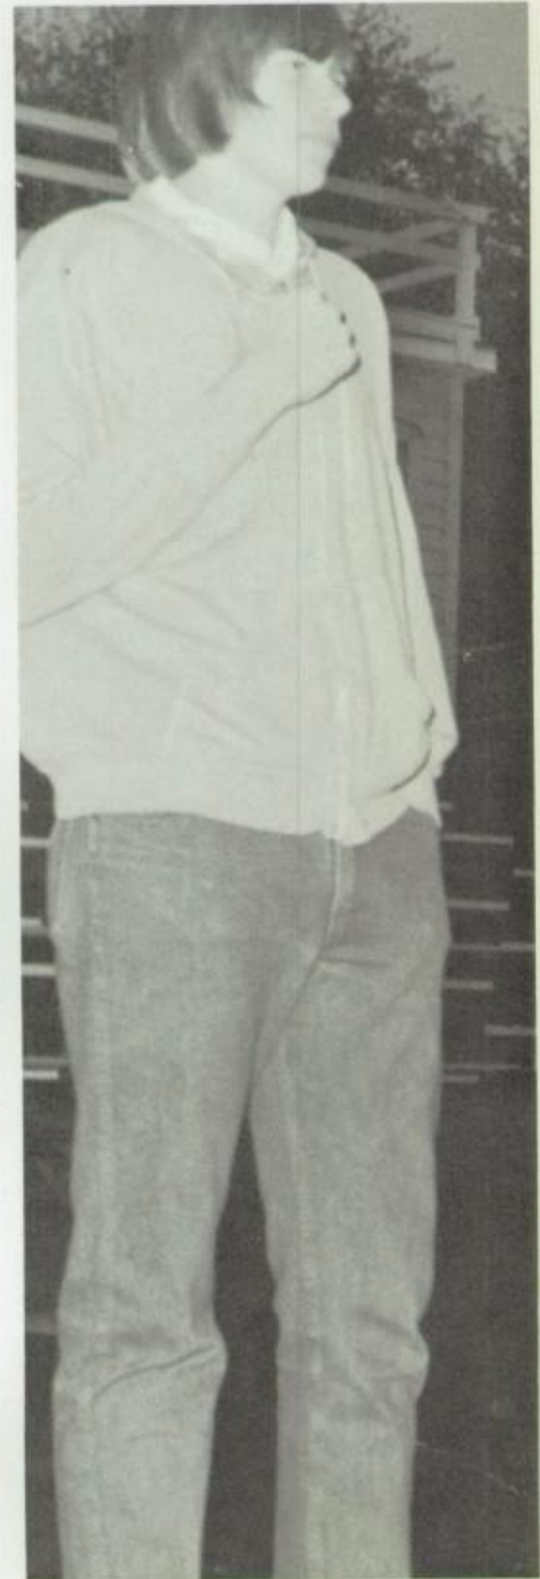

The 1978 Vallis "Memories" is dedicated, with much love and respect, to Mrs. Mary L. Conrad. She is a Senior High English teacher with vitality and never-ending energy to give to the senior class. She co-directed the Senior Play, worked with Seniors on the Senior Prom, Senior Trip, Civil Service testing and Senior Banquets. She was responsible for getting in contact with the proper authority and arranging a "splash party" for the seniors. Thank you, Mrs. Conrad.

"Thank You For

*“ . . . We Lost Some Friends,
But Kept The Memories.”*

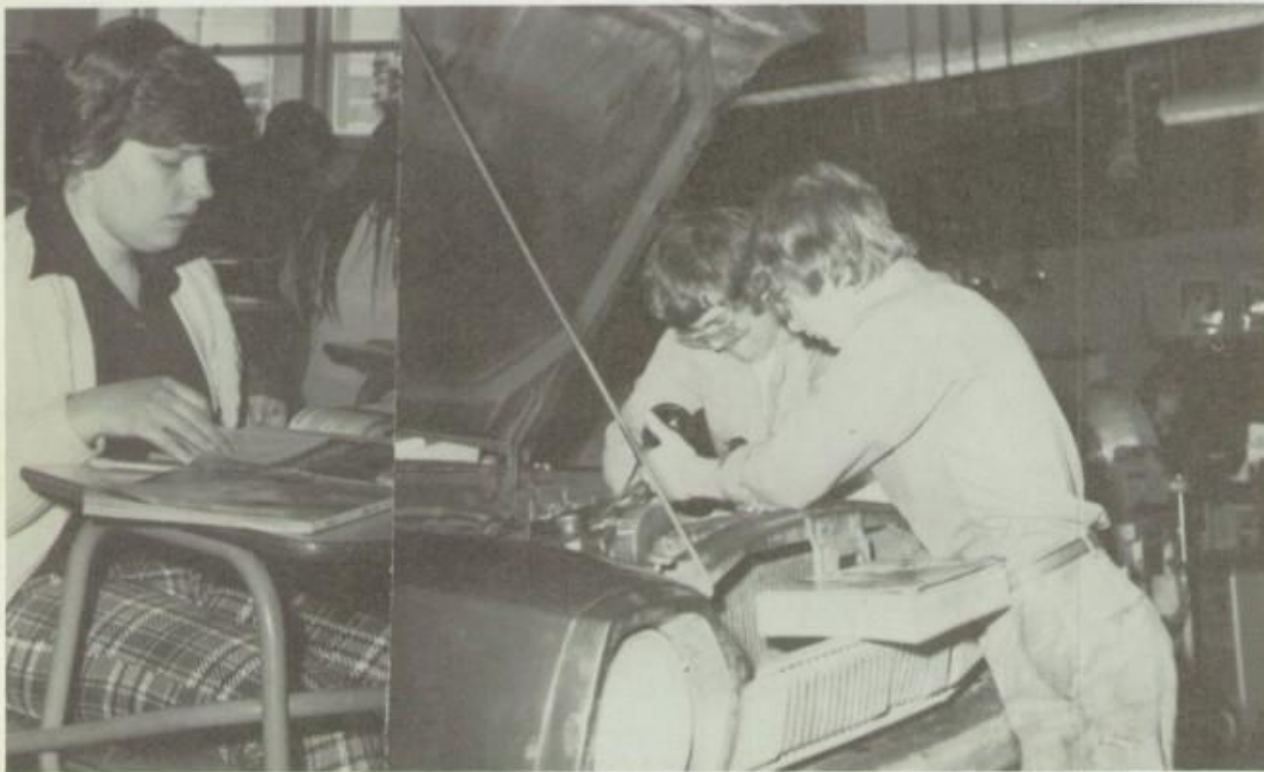

Kathy Anne Burdett
“L. Bird”
June 3, 1960-July 11, 1975

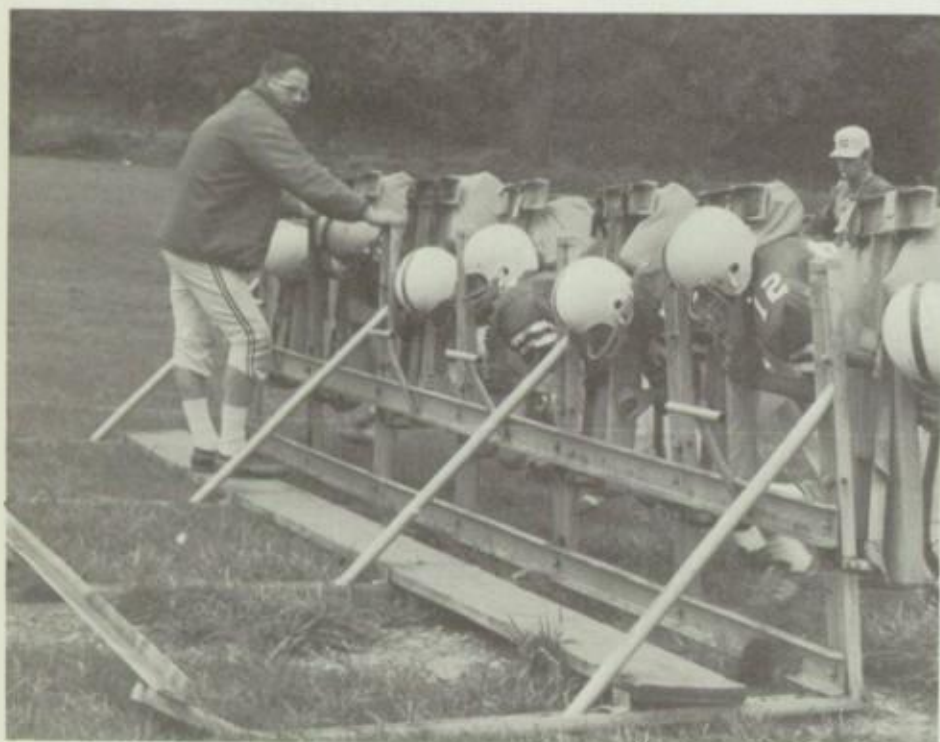

“Normal days, let me be aware of the treasure you are. Let me learn from you, love you, savor you, bless you — before you depart. Let me not pass you by in quest of some rare and perfect tomorrow. Let me hold you while I may for it will not always be so. One day I will dig my fingers into the earth or bury my face in the pillow or stretch myself taut or raise my hands to the sky, and want more than all the world — your return.”

Being A Friend.”

Memories are made of things
That happen every day
Moments as we live them
Things we do and say . . .

. . . Little bits and pieces
Of laughter mixed with
tears

Paragraphs and pages
Written through the years

. . .

. . . The carefree days
 of childhood,
 The growing pains of
 youth,
 A few illusions shattered
 In the endless search
 for truth . . .

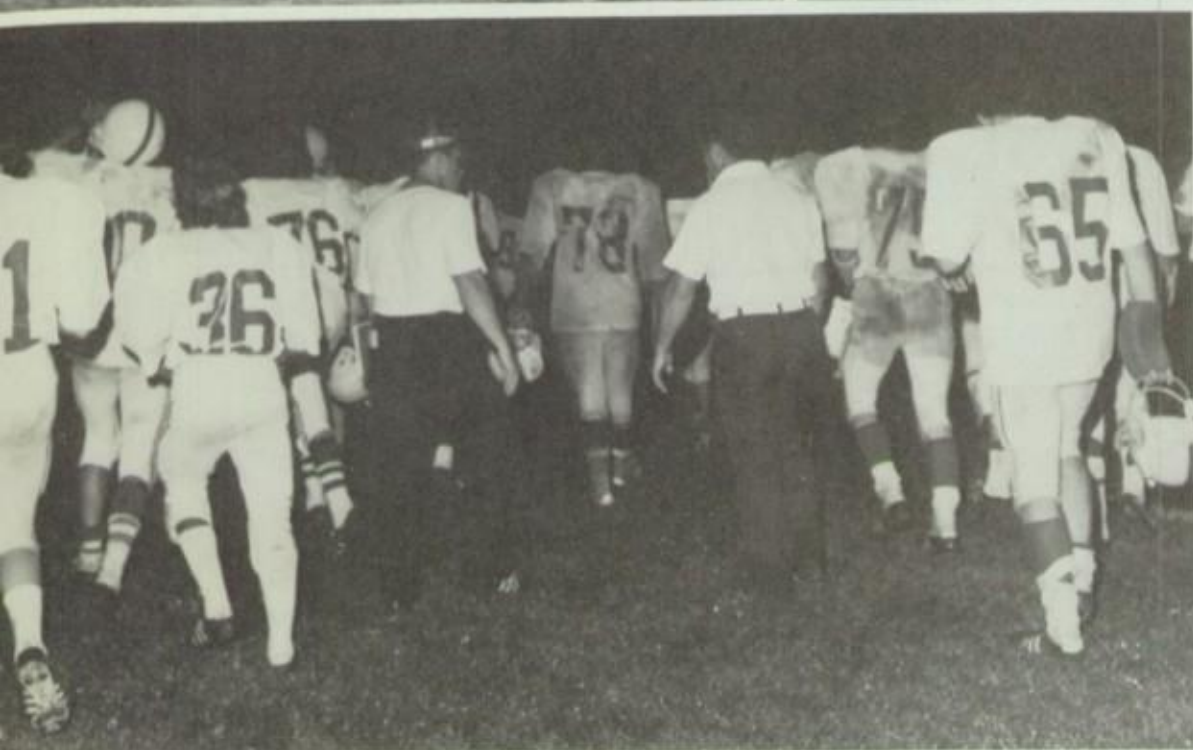

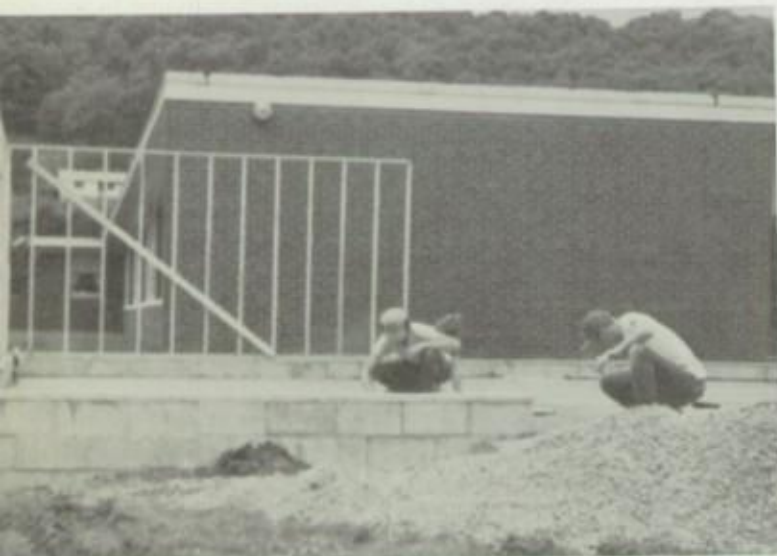

... The friendships
we remember,
Mistakes that we regret,
The ending of a love
affair
We never could forget
...

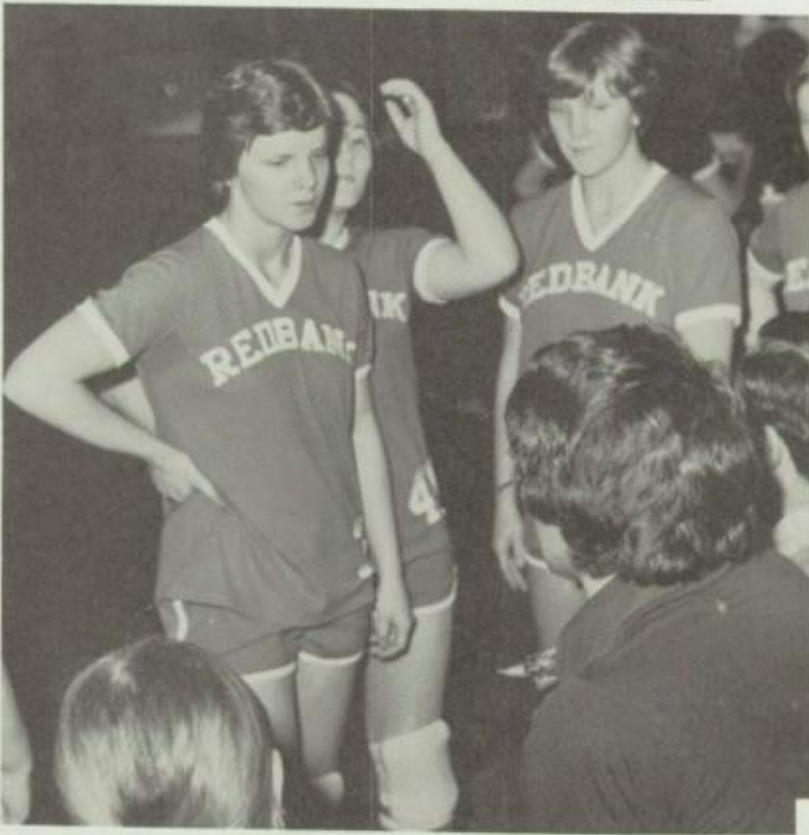

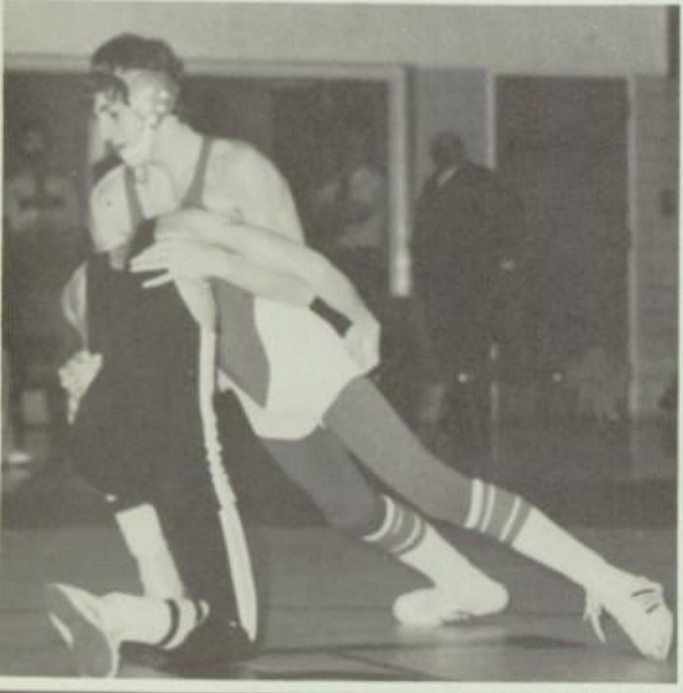

. . . Yes, memories are happenings,
Each one a different kind,
Each a separate chapter
That is printed on the mind . . .

. . . We can't erase
the sadness
Or emit out the
tears,
We can't undo the
wrongs we've done,
We can't relive the
years . . .

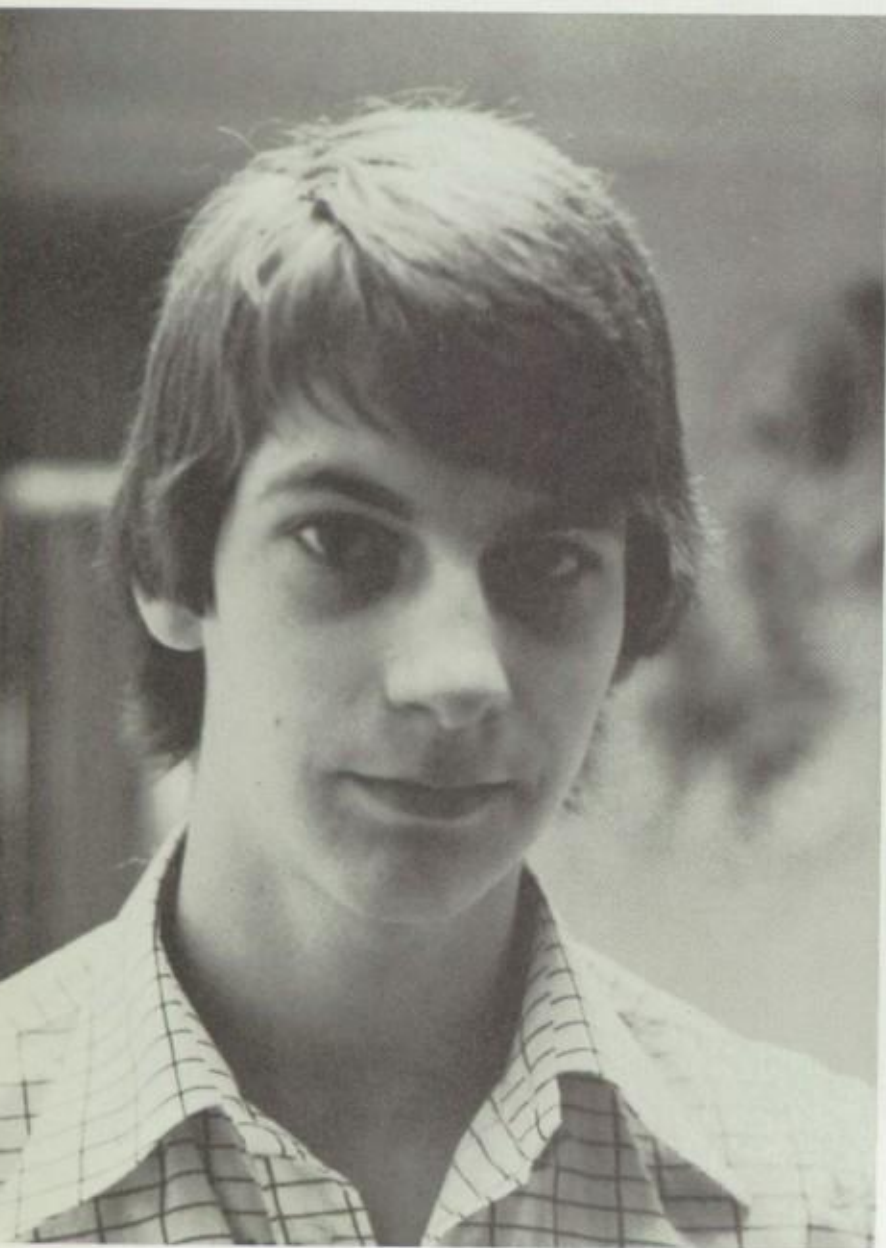

to store within
the heart.

CLASS SONG: (theme from) Mahogany

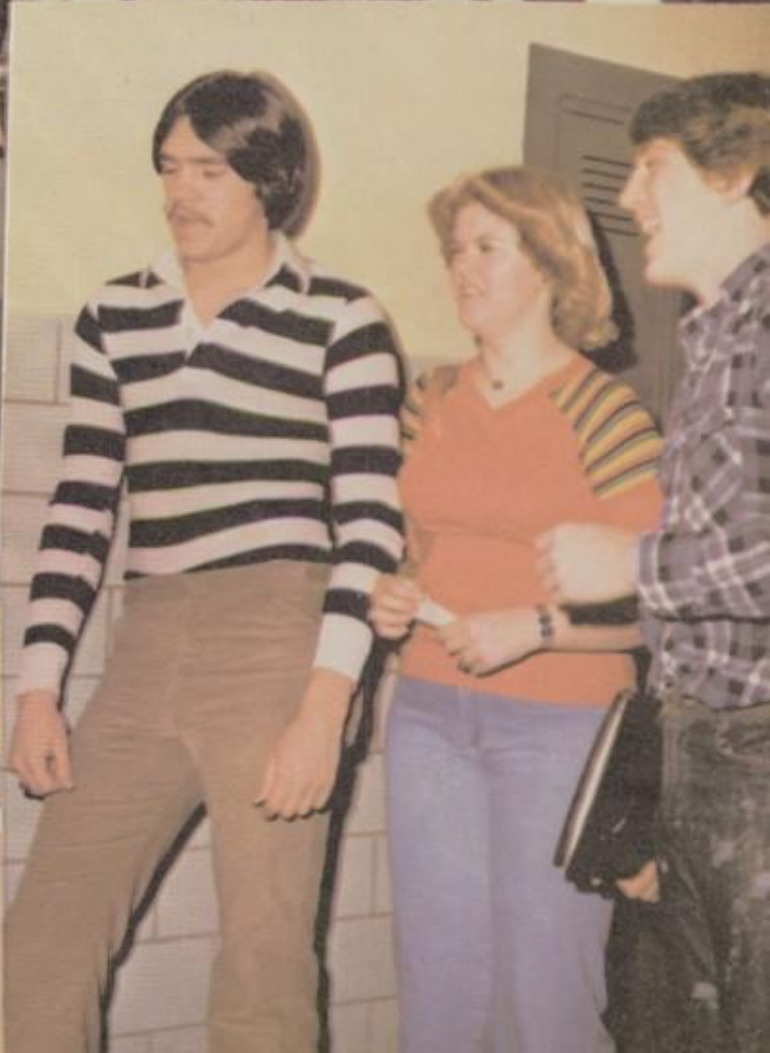

Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to,
Do you know?
Do you get what you're hoping for?
When you look behind you there's no open door.
What are you hoping for,
Do you know?
Once we were standing still in time
Chasing the fantasies that filled our minds.
And you know how I loved you but my spirit was free,
Laughing at the questions that you once asked of me.
Do you know—
Where you're going to?
Do you like the things that life is showing you?—
Where are you going to,—
Do you know?
Now looking back at all we planned
We left so many dreams just slip through our hands
Why must we wait so long before we see,
How sad the answers to these questions can be.
Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to,
Do you know?

Senior Tea

On the twelfth day of Christmas Mrs. Smith gave her senior girls,
 12 grateful thank-you's,
 11 cloths for drying,
 10 guests arriving,
 9 trays for serving,
 8 ovens heating,
 7 tips for baking,
 6 eggs for breaking,
 5 cups of flour,
 4 cookie recipes,
 3 mixing bowls,
 2 wooden spoons,
 and
 1 flowered apron each.
 Mrs. Smith did her usual fantastic job in planning and aiding the senior girls with the senior tea. The faculty guests were very pleased.

"A Bad Year For Tomatoes"

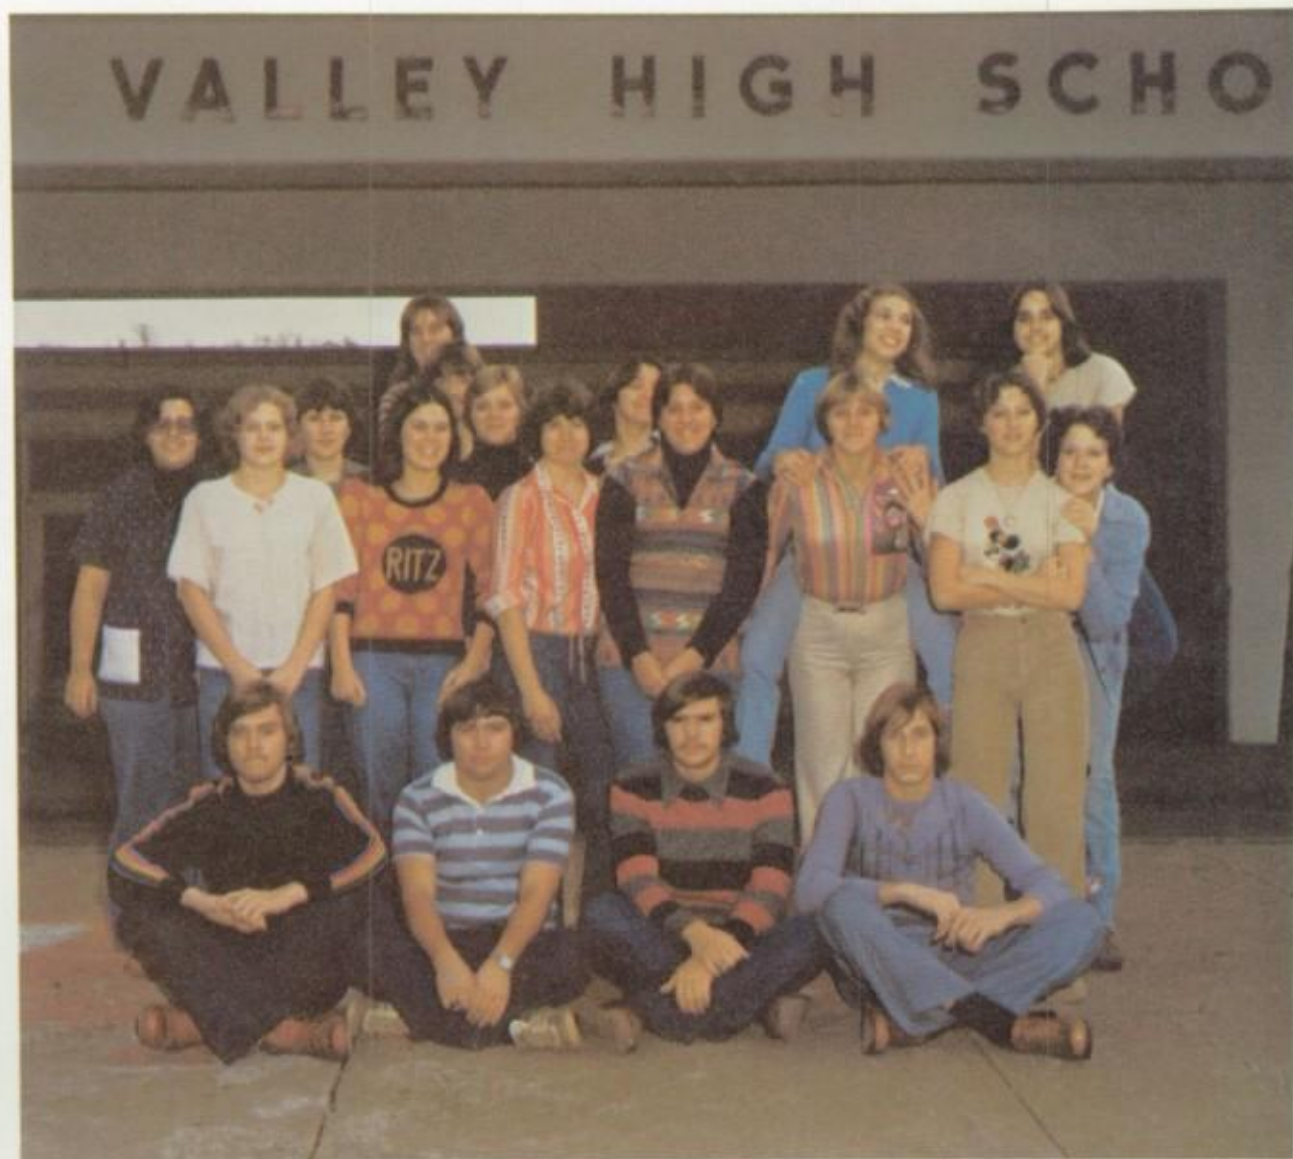

The class of '78 found that it was "A Bad Year for Tomatoes", but a good year for a stage production.

Myra Marlow (Laurie Smith) moved to a small town called Beaver Haven as she was trying to escape from the mixed up world of Hollywood. Her boyfriend, Tom (Ray Bennett), reluctantly helps settle her in to her supposedly quiet new home to grow tomatoes and write her life story. Her neighbors, Cora Gump (Elaine Krouse) and Reba Harper (Robin Black), paid her a visit and initiated her into the strange new surroundings. Willa Mae (Sharon Brown) revealed her true self to Myra by telling her fortune. Piney became a first class pest as he tried to become her friend. Her peaceful dream world was shattered by her nosy neighbors. To regain her peace-of-mind she created a crazy sister, Sadie, to act as a watch dog. Piney fell in love with Sadie, which created a mess for Myra because there really was no Sadie. The town's people got suspicious and accused Myra of killing her crazy sister. The sheriff (Perry Rutkowski) got into the picture and was determined to arrest Myra. Tom saved the day by explaining the whole story to the people. Tom and Myra returned to the city and lived happily together.

Senior Boys Stitch and Stir Their Way Through Home Economics

SEWING: Martin Huffman, Perry Rutkowski, Scott Bowersox, Gary Smith, Larry Stanford, Rod Burford.

Mrs. Pauline Smith opened the sewing room and kitchens to the senior boys this year. Those working toward improving their gourmet talents prepared such main dishes as barbecued chicken, oriental beef cubes, pizza by the yard, and flank steak. Desserts made included baked alaska, donuts, fudge, Christmas cookies, and brownies.

Learning to run the sewing machines was the main objective of the others. They also learned to sew on buttons, sew in facings, and trace patterns. With a watchful eye and patient guidance, the boys learned quickly.

The boys in this department had the chance to "model" in the fashion show if they wished.

COOKING: Jim Jacklin, David Henry, Royd Blair, Tom Pyne, Steve Constable, Ben Kundick, David Sigworth, Kevin Hoffman, Eric Brocius.

Quick Quiz Equipped Themselves For Complicated Cumbersome Questions And Quickly Acquired First Place.

SENIOR MEMBERS: Gary Smith, Rick Snyder, Eric Henderson.

The 1978 Quick Quiz Team again retained its title of first place in the county for the third year.

By a flick of their switch the four members of the team answered the quick recall questions to a 10-1-1 record.

Against their arch rival Keystone, the fate of the match was determined by "How many matches does an average match book contain?", which was the last question. Again they remained unbeaten by their adversaries with a tie.

STARTING FOUR: Rick Snyder, Kim Hornberger, Jana Zissis, Eric Henderson. COACH-Mrs. Marjorie Krepp.

ALTERNATES: Row 1-Mark Arbuckle, Ron Yeany, Margaret Miller, Paula Wiant, ROW 2-Gary Smith, Marc Adams, Joe Burns, Rod Beers.

Student Secretaries . . .

As part of the requirement for Office Practice class, each senior girl was asked to be Student Secretary. The Student Secretary for the day typed the absentee sheet, totaled the lunch count, typed tests, and ran off masters as she was assigned to do by faculty members. Each girl had 3 to 4 "Office Practice" days throughout the program. This program developed typing skills and taught the girls the responsibility of meeting deadlines. Quality work had to be the finished product. Mr. James C. Long designed the program and double-checked the absentee sheets before printing. He helped when there was a "major" crisis such as a torn master or a jammed ditto machine. His advice will always be remembered. Each girl has her own memories of the days she was Student Secretary in Room 129.

"When things go wrong as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high,
And you want to smile but you have to sigh,
When cares pressing you down a bit,
Rest if you must, but don't you quit!
Life is queer with its twists and turns-
As everyone of us sometimes learns-
And many a failure turns about

When he might have won if he stuck it out,
Don't give up though the pace seems slow,
You may succeed with another blow.
Success is failure turned inside out,
The silver tint of the clouds of doubt,
And you never can tell how close you are.
It may be near when it seems so far,
So stick to the fight when you're hardest hit,
It's when things get worse that you must not quit!"

"If you can keep your head when all about you are losing theirs and blaming it on you
If you can trust yourself when all men doubt you, but make allowance for their doubting, too
If you can wait and not be tired by waiting or being lied about and not deal in lies
Or being hated, don't give way to hating and yet don't look too good, nor talk too wise
If you can dream and not make dreams your master; if you can think and not make thoughts your aim
Or you can meet with Triumph and Disaster and treat those two imposters just the same
If you can bear to hear the truth you've spoken twisted by knaves to make a trap for fools
Or watch the things you gave your life to, broken and stoop and build 'em up with worn-out tools
If you can make one heap of all your winnings and risk it on one turn of pitch- and-toss
And lose, and start again at your beginning and never breathe a word about your loss
Or you can force your heart and nerve and sinew to serve your turn long after they are gone
And so hold on when there is nothing in you except the Will with which says to them "Hold on!"
If you can talk with crowds and keep your virtues or walk with Kings nor lose the common touch
If neither foes nor loving friends can hurt you; if all men count with you but none too much
If you can fill the unforgiving minute with sixty seconds' worth of distance run
Yours is the Earth and everything that's in it, and which is more — you'll be a Man, my son.

"WHAT A WONDERFUL WORLD"

"Don't know much about history,
Don't know much biology
Don't know much about science books,
Don't know much about the French I took,
But I do know that I love you
And I know that if you'd love me too-
What a wonderful world this would be.

Don't know much about geography,
Don't know much trigonometry,
Don't know much about algebra,
Don't know what a slide rule is for,
But I do know one and one is two-
And if this one could be with you-
What a wonderful world this would be.

I don't claim to be an "A" student,
But I'm trying to be.
'Cause maybe by being an "A" student,
I could win your love to me.

Don't know much about the middle ages,
Looked at the pictures and I turned the pages.
Don't know nothing 'bout no rise and fall,
Don't know nothing 'bout nothing at all,
'Cause it's you that I've been thinking of
And if I could only win your love-
What a wonderful, wonderful world this would be.

Sr. High Student Council

Student Council is the only type of student government at Redbank. Its purpose is to provide students the right to state their opinions and ideas and to motivate student activities within the school.

Through the student council, gripes can be collected and brought before the administration. This year progress was made, but this is only the beginning. The 1977-78 Council hopes that future student councils continue the progress to improve Redbank.

Sr. High Prom

Darla Kennemuth, Mark Kirkpatrick, PRINCE- Mark Panciera, PRINCESS- Lisa Rearick, KING- Larry Stanford, QUEEN- Debbie Over, Stacey Hetrick, Dave Shaffer, Tammy Magagnotti, Gary Case.

"Sometimes When We Touch"

You ask me if I love you and I choke on my reply
I'd rather hurt you honestly than mis-lead you with a lie.
Who am I to judge you on what you say or do?
I'm only just beginning to see the real you.

*Sometimes when we touch the honesty's too much
And I have to close my eyes and hide.
I want to hold you till I die-
Till we both break down and cry-
I want to hold you till the fear in me subsides.

Romance and all its strategy leaves me battling with my pride,
But through the insecurity some tenderness survives.
I'm just another writer still trapped within my truth-
A hesitant prize fighter still trapped within my youth.

* (Chorus)

At times I'd like to break you and drive you to your knees.
At times I'd like to break through and hold you endlessly.
At times I understand you and I know how hard you try,
I've watched while love commands you and I've watched love
pass you by.

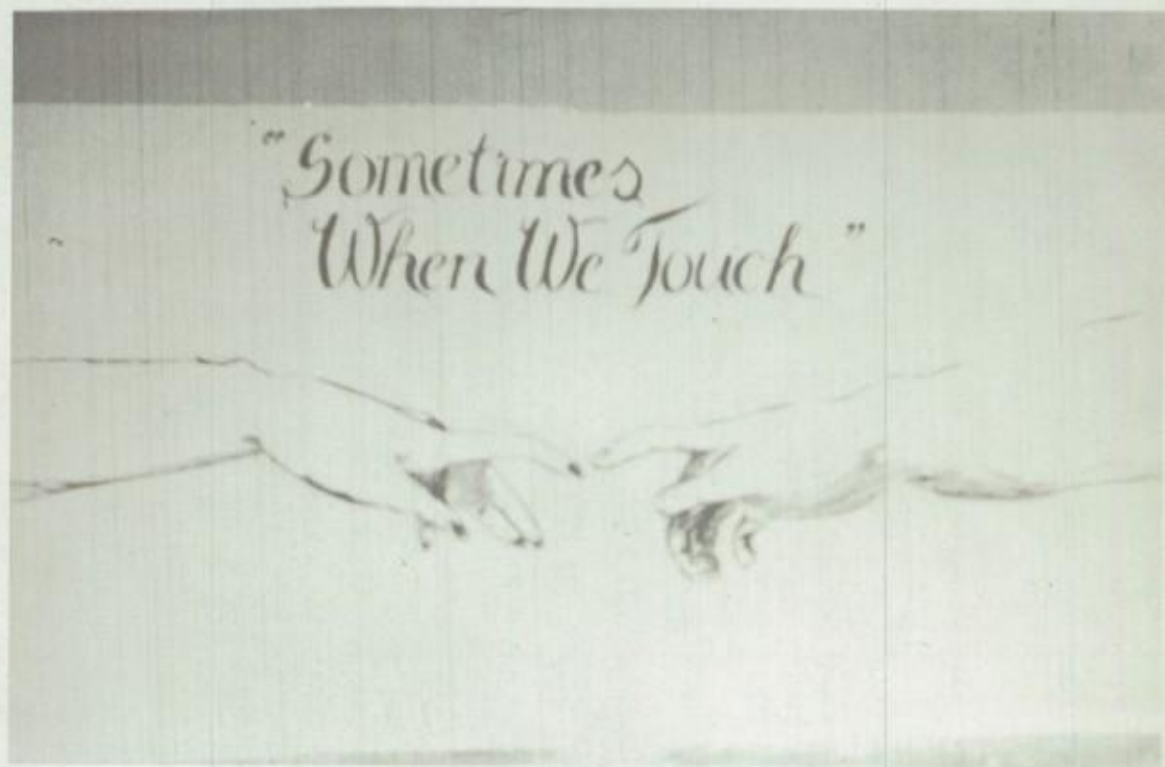

At times I think we're drifters still searching for a friend-
A brother or a sister, but then the passion flares again.

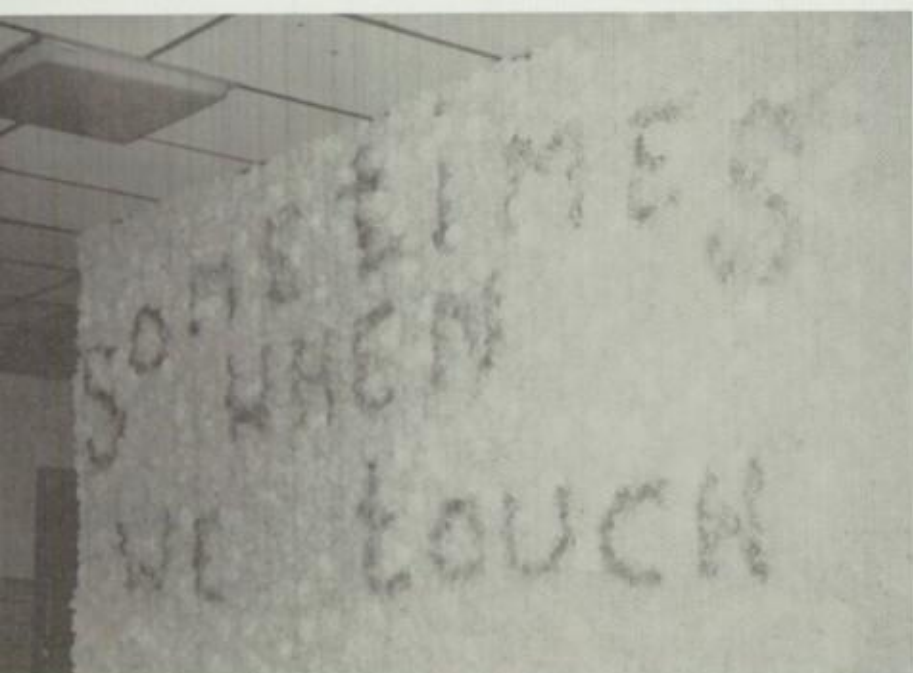

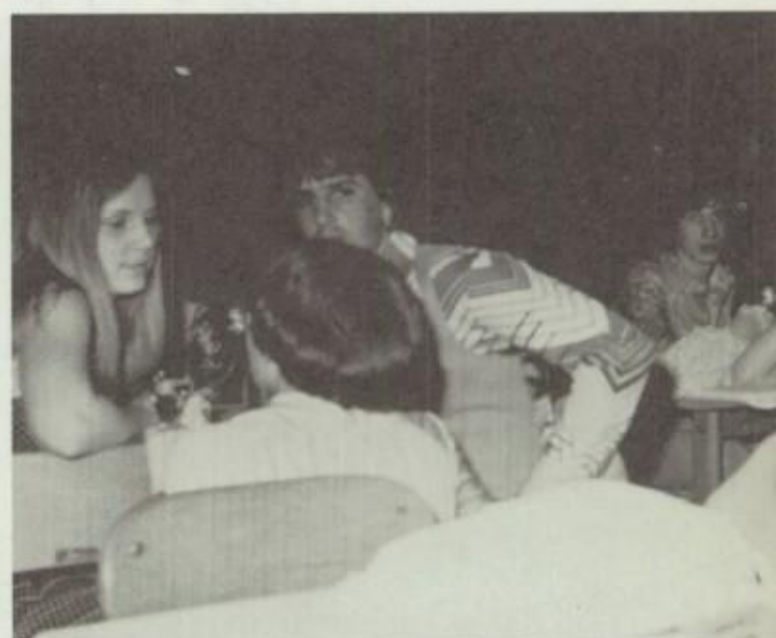

* (Chorus)

— Dan Hill

The court for the 1978 Sr. High Prom consisted of Sophomores — Stacey Hetrick, Dave Shaffer, Tammy Magagnotti, and Gary Case; Juniors — Lisa Rearick and Mark Panciera; Seniors — Darla Kennemuth, Mark Kirkpatrick, QUEEN- Debbie Over, and KING- Larry Stanford.

Music for the 8:30 to 11:30 prom was provided by "Frendz". A rainbow theme was presented vividly in the drop ceiling and multi-colored silk flowers that were bottled on each table.

The tropical setting from Fantasy Island remained to provide a beautiful Seventh and Eighth Grade Dance this year. "Maquade" presented live music from 8:00 - 11:00. Refreshments were served in the lobby. The night was a fine example of the "class" in the Classes of '82 and '83.

Jr. High Student Council

Jr. High Student Council served it's fourth year of existence well. Their main objective was to raise the school spirit in the junior high students. One way this was accomplished was by holding a homeroom contest to see which homeroom could have the greatest percentage of attendance at a junior high athletic event. They also sold towels and gym bags to raise money. Mrs. Kittle did a fine job as sponsor.
